

Supplies

FOR ANY DECORATIVE ART CLASS AT GIFTS & ARTS UNLIMITED

- Paint water basin, no glass/plastic jars or cups will do! These may be purchased at Michael's Craft store, Wal-Mart or my studio.
- Brushes - Folk Art - "One Stroke" brushes (#1059). This is a multi-pack set found at Michaels, which has every brush you will ever need. With loving care these brushes should last 6 months to a year.
- A roll of wax paper, foam plates and good quality paper towels! (important)
- A roll of freezer paper. This is great to practice with and paint designs on. (note: rip off six 12" to 14" lengths to bring to class instead of the huge roll, make sure to roll the glossy side to the outside so it will lay flat)
- Paints: **Folk Art Acrylic** (not enamels unless this is a glass class) in the following colors (if certain colors are not available, then any shade of this color will do!) Thicket (green), School Bus Yellow, Orange, any Red, Cobalt (or bright) Blue, Purple, Wicker White, Brown, Black.
- A gallon size zip lock bag so that you may take your brushes home to clean!

Got ANY questions? Call me! Jodi Strange @ 252-293-1144

Tip: Pack a lightweight rolling bag OR plastic container with your supplies to make transport easy!
